OUEA Bargaining Bulletin

March 18, 2024

Required v. Unrestricted Reserves (In Millions of Dollars)

The graph above shows district reserves over the past six years. The bars in blue are the 3% required by the district to hold for emergencies as mandated by law. The bars in red are reserves held by OUSD above the amount required by law. As you can see, as teacher pay falls further behind our peers in neighboring districts, the district's reserves continue to climb to historic highs. Your Bargaining Team is aware of these numbers and working tirelessly to raise our wages. Support your bargaining team and wear your shirt on Friday, send pictures to srauter@sbcglobal.net.
