OUEA Bargaining Update

March 4, 2024

The thirteenth meeting occurred today between the OUEA Bargaining Team and the District. OUEA and the District continued negotiations of the Appendices. There were discussions about Article 2 (Compensation), and information regarding salary schedules.

OUEA continues to make proposals on Compensation and Appendices in an effort to reach an agreement with the District, but feels the efforts at the table are not being met at the same level by the District. A lot of paper pushing occurred between the sides today. Your Bargaining Team is holding firm to negotiate the strongest contract for our members.

The OUEA Bargaining Team is frustrated with the slow progress in this bargaining cycle! We need your continued support. Make sure you are wearing your OUEA shirt every Thursday and on bargaining days. This shows our unity to the public and the District. The District needs to see our numbers and our strength. UNITY is strength.

Next Negotiation sessions will be on
