OUEA Bargaining Update

April 26, 2024

OUEA started bargaining with the District at 9am this morning and continued until after 5:30 pm. We are happy to share that today was a different negotiation session. OUEA came to the table ready to negotiate and more progress was achieved than in previous sessions. We are feeling positive about this movement. This shows a common goal to come together on an agreement.

Your solidarity by wearing shirts, emails to the school board, and attendance at school board meetings have been noticed; we believe it helped encourage the movement on the District's part.

At this time no call to action for the May 9 school board meeting is necessary. As always, you are encouraged to attend to continue your support of the bargaining team. The Proclamation of the Teacher will take place at the May 9th board meeting and we would love to see as many teachers in their union shirts attend as possible.

Next Negotiation sessions will be on

May 13, 2024.
