OUEA Bargaining Update April 28, 2021

OUEA and the District met this afternoon. OUEA presented their counter proposals. We made progress on finalizing more language in Article 3 (Leaves) and Article 4 (Transfers). OUEA suggested and gave ideas on ways to spend some of the one-time COVID monies.

The District presented information that was previously requested by OUEA. This presentation discussed the projections of declining enrollment, historical LCFF Funding Comparisons, and facilities utilization per site basis. The District also presented information regarding a grant they applied for and received to continue to employ mental health counselors at elementary sites this year.

After a caucus, the District returned to present their counter proposal on Article 3 (Leaves). The District then presented an MOU regarding spending of one-time COVID monies.

This is a marathon!!!

We appreciate your continued support!!!

The next bargaining date is May 13, 2021.

The 2021-2022 Bargaining Survey will be coming out next week.

Keep an eye out for it in your personal email.
