## OUEA Bargaining Update

April 19, 2022

Today OUEA and the District opened bargaining proceedings for the 2022-2023 school year. The teams met at the OUEA office. All team members were eager to get started and discuss the opened articles. Both teams have opened Article 2 (Compensation), Article 6 (Hours), and Article 9 (Class Size/Teaching Load/Workload).

The teams discussed and agreed upon meeting norms and expectations. Both teams came prepared with proposals to share and discuss. OUEA began the negotiations by going through their proposals as the District listened to rationale.

The District also presented their proposals for the articles they opened. They also explained their rationale.

Overall, it is very obvious that both OUEA and the District are eager and willing to reach a comprehensive agreement in a timely manner this year. We are hopeful and excited for our future bargaining meetings.
