## OUEA Bargaining Update

January 22, 2021

The Bargaining team and the District continued the bargaining process today. The District opened the day with their proposed changes to Article 4 (Transfers). The District is looking to have more flexibility as it pertains to involuntary transfers and stipend positions. In addition, they proposed some language changes to the article. After reviewing the proposal and asking clarifying questions, the Bargaining team and the District chose two more dates to meet in February.

The Bargaining team will present Article 9 (Teacher WorkLoad/Class Size). The District is expected to counter Article 3 (Leaves). We are off and running!

## Next Negotiation session will be on February 3, 2021
