## OUEA Bulletin

February 6, 2023

The bargaining team met today to read through ALL of your survey responses. Thank you to the 544 members that took the survey to help us prepare the articles we plan to open for the 2023-2024 school year. We discussed several articles to potentially open such as, but not limited to, Articles 6 (work hours), 9 (class size/teaching load/workload), and 10 (association rights).

We also discussed possible language changes to different articles that reflect the myriad of responses from our member surveys. We are still determining which articles we will open for this bargaining cycle. As a reminder, Article 2 (compensation) is always opened and negotiated during bargaining.

We also planned for Informed Member Meetings and the topics that we will discuss to answer your burning union/contract questions. Please join us for our first meeting regarding Personal Illness and Personal Necessity on February 28, 2023.

**Please join us virtually for our Informed Member  
Meeting  
February 28, 2023**
