OUEA Bulletin

April 20, 2023

Your OUEA Bargaining Team opened the negotiating season today with their first meeting with The District. We were able to meet their new team members and our new bargaining team got their first taste of negotiations. We opened discussion around Article 6 and Article 10. After a brief caucus The District came back with their proposals for Article 6 and 10 as well. OUEA finished off the day with a presentation of a proposal for Article 9.

We will be meeting again Monday 4/24 to continue negotiations; we have also secured three dates in May to continue bargaining.

Compensation will be discussed in future bargaining sessions.

Be sure to stay up to date with bargaining through our updates and bulletins. Please email us at bargaining@ouea.org with any questions.

Next Bargaining Session: Monday, April 24
