## OUEA Bulletin

April 24, 2023

As negotiations continue, our bargaining team remains strong in their tireless efforts to champion for the needs of our members. Today several counter proposals on Articles 6 (Hours) and 10 (Association Rights) were exchanged. Both sides made movement as we continue to work towards an agreement.

In the next negotiation session, OUEA will present the counter proposal to Article 6 and the District will open with their counter proposal for Article 10. Article 9 (Class Size/Workload/Teaching Load) will be addressed again after the board meeting on May 4th.

Just a reminder: Article 2 (Compensation) will be discussed in future bargaining sessions. Compensation is typically discussed near the end of negotiations.

We value and appreciate your input; please email us your questions or comments at [bargaining@ouea.org](mailto:bargaining@ouea.org).

## Next Bargaining Session: Monday, May 8
