OUEA Bargaining Update
May 4, 2022

OUEA and the District met for the second time today in the Panther Lab at the District Office.

OUEA started the morning by presenting their second proposal to the District.

The District came back after lunch with a counter proposal. OUEA worked tirelessly into the early evening to review the received proposal, write and present a counter to the District in an effort to move this process along.

The Bargaining Team is still eager to reach a comprehensive agreement in a timely manner. We made progress today to secure more positive changes to the contract and are hopeful for continued progress in upcoming bargaining sessions.

May the 4th be with you.

Next Negotiation sessions will be on May 12, 2022.
